PRESIDENT'S MESSAGE

John Shooter of Marietta Garden in Fairmont NC will attend out meeting October 13, 2013!

What a wonderful sound tonight, (September 20th), as the rain beats down on the roof and runs through the downspout outside the window. I am loving it! It is wonderful to see green again. Amazing how fast a little water does a job!

It is also amazing how we all pull together and can sell a lot of daylilies! While we had a lot we did not sell, we had a whole bunch we did sell, making \$1,965.00! And...we have 4 new members! I thanked you previously but thank you again!

John Shooter of Marietta Gardens will be here in Columbia while the Tigers are in Georgia! Sure makes it easier to get a hotel! He will fly in to St Louis and leave from there as well so will have to stay two nights in Columbia. I am reserving MOX to pick him up and take him back to St Louis, directly from his hotel. I know Julia and many of you enjoy his daylilies. I have a couple that are very nice. It will be fun to again meet someone we have all heard about and ordered from. I have talked with him on many occasions and I hope you can all understand him as he has a definite North Carolina accent as well as a dry sense of humor, I think! Nancy has sent messages letting other clubs know that John will be here. He has promised to bring lots of flowers to help cover the cost of his visit.

We talked at the meeting about the officers we need for the coming year. All the officers except the President (me) and the VP, (Blaise) have agreed to serve another term. Blaise and I have served 2 years and we are ready to take a rest. We need two willing souls to step up and have a fun year as a leader of this fun club! Call me!

John Shooter asked that we roast a pig for him but we are not doing that. I will look into getting a ham from New Franklin and everyone can bring our usual delicious dishes for a fabulous Sunday dinner with John! We will plan to have John at the Extension office at 12:30 for a meeting with hybridizers before lunch. Lunch will be at 1:30 with John's program to follow. See you on October 13th!

Minutes from CMHS Meeting June 9, 2013 & Picnic August 19, 2013
June Meeting

President Karen Blackmore led the meeting. The Treasurers Report and previous meeting minutes were accepted as published.

The spring plant sale was a success. Thanks were given to all who donated plants and helped at the sale. Carolyn Kemper had donated plants from her garden and moved some to her new home. (An article written about her by her nephew was circulated.) We donated leftover sale plants to the Master Gardeners Earth Day booth and they returned \$44 of their proceeds to us.

Charter member Betty Kropf had passed away in May at the age of 88. A donation will be sent to AHS in her memory. Several members reminisced about the importance of the Kropf family and their excellent cultivars to the daylily world.

Picnic and plant sale details were discussed.

Flower Show committee sign up was reviewed and the need for entries for the photography section of the flower show was stressed. Design categories and exhibition classes were explained. Blaise sought volunteer gardens to be on tour the day after the show.

Daylily Drawing processes were reviewed for the benefit of newer members.

Alice Havard presented the program with a demonstration of “stretch” designs and provided on-scape presentation pointers.

Picnic Notes

We honored Helen Jenkins on her birthday and bid farewell to Hank and Harriet Riggs as they prepare to move to the Kansas City area.

Karen and others who attended the AHS Region 11 Summer Meeting in Tulsa gave a report on the activities there. Our own Patti Waterman was honored with the Region 11 Hybridizers Award for her daylily “H. Gothic Quills” which showed very well in tour gardens.

Karen discussed the need for nominations for President and Vice President for the coming year. She also discussed plans for a speaker for the October meeting.
